RE: Carlsbad Coastal Power Plant

Dear Commissioners:

I was unable to submit any comments to the committee on February 1&2 but I appeal to you to consider my vote and opinions regarding the proposed Power Plant.

Please reject this project! It will not benefit my city in any way. It will only harm us!

There is no need to place this Industrial Plant along our coast. I am a property owner and resident of this quaint village and very proud of its beaches and coast. Please do not let this project proceed.

Thank you for your consideration.
