Gentlemen and Mesdames: 2/13/10
 We are not permanent residents of the area but rather visitors for a month in the Soloman location just south of the present power plant. We live permanently in Medford Lake Washington that we lived in East Spokan and in Portland, OR. We love the PNW and Calif. where we visited many times. It seems clear to us that the present location of the power plant is all wrong and indeed an eyesore for tourists and residents alike. We urge acceptance of the proposed move.
 Sincerely, John and Courtney Anderson
