Energy Commission Docket Unit
Docket No. 07-AFC-6
1516 Ninth Street, MS-4
Sacramento, CA 95814

Dear Commissioners:

This letter is to express our support for the proposed Carlsbad Energy Center Project. The citizens and businesses of North San Diego County require quality and sustainable resources for a reliable and economical supply of electricity. The Carlsbad Energy Center fits that bill for providing this energy.

It is clear that the proposed site is the ideal location for the smaller and more environmentally friendly Carlsbad Energy Center Project. Alternative sites do not seem to be feasible due to significant adverse environmental and community impacts as well as insufficient electrical transmission capacity.

Therefore, we urge your timely approval of the sustainable Carlsbad Energy Center proposal.

Sincerely,

Walter Kowalik and Elaine Kowalik
