**Subject:** RE: 07-AFC-6 Carlsbad - Energy Commission Staff Opening Brief

The Committee has decided to grant the extension to all parties. I'm getting the word out informally right now so you know as soon as possible, with a formal order to follow tomorrow or on Monday.

Mr Kramer, the Center for Biological Diversity does not oppose Staff's request for an extension so long as the deadline for filing Reply Briefs is tolled to October 11th for all Parties.

Thank you,

Will Rostov

Paul. The extension requested by Staff is acceptable to the City and Redevelopment agency, so long as all parties are given the same extension. Allan Thompson
