| <b>WITH:</b>                                  | Michael O'Neill, Field Representative with School Facilities Planning Division, California Department of Education |  |         |
| <b>SUBJECT:</b>                               | School Impact Fees   |  |         |

**Comments:**

Staff spoke with Michael O'Neill, Field Representative with School Facilities Planning Division, California Department of Education in regards to school impact fees for a solar project. Mr. O'Neill told staff that the fee is applied to buildings and structures such as office or storage facilities where employees would be. Mr. O'Neill also told staff that the County would be the entity to determine if a project was subject to the school impact fee.
