SUBJECT: Carrizo Project Native American Concerns										
<p>Staff spoke with John Burch on 9/30/08. Mr. Burch expressed concern that portions of the Cultural Resources Section of the Application For Certification (AFC) were not correct. He said that he had an appointment with Jeremy Hollins of URS to discuss potential corrections.</p> <p>Staff explained that the Energy Commission would not require AUSRA or URS to rewrite a section of the AFC that had already been submitted for consideration. Staff invited Mr. Burch to provide comments to the portions of the section that he felt were not correct. Mr. Burch faxed comments to staff on 10-2-08. Mr. Burch's comments will be included in the Preliminary Staff Assessment.</p> <p>Mr. Burch also commented that on 5/12/08 the Salinan asked to be an intervenor on the project. On 8/15/08 staff provided the Public Adviser's telephone number to Patty Dunton of the Salinan tribe. Staff will ask the Public Adviser's office to call Mr. Burch.</p>
