CONFIDENTIAL

**Subject: Repeated Request for Confidential Designation
Confidential Air Quality Offset Information
Response to Data Request Number 2
Canyon Power Plant (07-AFC-9)**

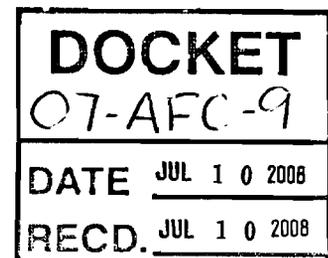

Dear Ms. Jones,

The Southern California Public Power Authority (SCPPA) is the owner and the City of Anaheim is the operating agent of the Canyon Power Plant (CPP). SCPPA requested Confidential Designation of a Confidential Offset Strategy in a previous filing dated December 21, 2007 which was granted by the Commission on January 11, 2008. Staff submitted Data Requests, which required SCPPA to provide the following confidential air quality offset information pursuant to its response to Data Request Number 2. SCPPA requests that the attached be designated confidential pursuant to 20 CCR Section 2505 (b). This information is substantially similar to the Confidential Offset Strategy dated December 21, 2007 and the facts and circumstances that make the Confidential Offset Strategy confidential are the same facts and circumstances that make the following Response to Data Request 2 confidential.

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.

Scott A. Galati
Counsel for SCPPA
