Subject: Request for Withdrawal - Application for Small Power Plant Exemption
Chevron Richmond Power Plant Replacement Project (07-SPPE-1)

Dear Ms. Jones:

Chevron USA, Inc. (Chevron) hereby submits this Request for Withdrawal of our Application for Small Power Plant Exemption (SPPE) for the Chevron Richmond Power Plant Replacement Project (PPRP) (07-SPPE-01). The Power Plant Replacement Project is undergoing re-evaluation within Chevron and may be reconfigured. Until we have completed this process it would not be appropriate to further burden the Commission's or Chevron's resources with further examination of a project configuration that may be changed. This Request for Withdrawal is being submitted in conformance with the siting regulations at California Code of Regulations (CCR), Section 1709.8.

I hereby attest, under penalty of perjury, that the foregoing is true and accurate to the best of my knowledge and that I am duly authorized to submit this Request for Withdrawal.

In accordance with CCR, Section 2308, Chevron submitted to the California Energy Commission a \$ 200,000 deposit for the actual cost of processing the application. We respectfully request a refund for any unspent portion of this deposit.

Please contact Mr. Paul Millner at (510) 242-2164 if you have any questions regarding this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. Millner".
