Repeated Application for Confidential Designation for the
Cultural Resources (Response to CEC Staff Workshop Queries 6 and 7)
(April 2010)

Dear Ms. Jones,

Rice Solar Energy, LLC, (RSE, LLC) is the owner of the Rice Solar Energy Project (RSEP). RSE, LLC, requests that the attached information be designated confidential pursuant to 20 CCR Section 2505. The following information is being supplied to the California Energy Commission (CEC) in response to Staff Data Requests.

On October 22, 2009, the Applicant filed an original request for Confidentiality for Cultural Resource Information as part of its original Application for Certification (AFC). The Executive Director granted Confidentiality for the original submission on November 30, 2009. This additional information is substantially similar and related to the original request. As previously noted, this information is being submitted under 20 CCR 2505(a)(4) which states in pertinent part,

"[a]n applicant... seeking a confidential designation for information that is substantially similar to information... for which an application for confidential designation was granted by the Executive Director pursuant to subdivision (a)(3)(A) of this section, the new application need contain only a certification, executed under penalty of perjury, stating that the information submitted is substantially similar to the previously submitted information and that all the facts and circumstances relevant to confidentiality remain unchanged."

In support of the repeated application for confidential designation, Rice Solar Energy, LLC, provides the following information:

APPLICANT: Rice Solar Energy, LLC
ADDRESS: 2425 Olympic Blvd., Suite 500 East
Santa Monica, CA 90404

This Repeated Application for Confidential Designation consists of the following Documents submitted in Response to CEC Staff Workshop Queries 6 and 7, dated April 2010; titled and described here as:

1. Response to Workshop Query 6 – Figure WSQ6-1 is a map that shows the locations of all of the archaeological features recorded at Rice Army Airfield and portions of Camp Rice during archaeological field surveys for the Rice Solar Energy Project dated April 2010 (also included on CD Rom)
2. Response to Workshop Query 7 – Photograph Logs indicating the date, time, subject and direction of each photograph, dated April 2010. Also included on the CD Rom are the actual photographs corresponding to the photograph logs which reflect the archaeological features recorded at Rice Army Airfield and Camp Rice during the archaeological surveys for the Rice Solar Energy Project. Photograph file names are keyed to the site (Rice Army Airfield or Camp Rice) and feature number, dated April 2010

I certify under penalty of perjury that the information contained in this Repeated Application for Confidential Designation is substantially similar to the previously submitted cultural resource information and that all of the facts and circumstances relevant to confidentiality remain unchanged. Additionally, I certify that all of the information provided is true, correct and complete to the best of my knowledge and I, attorney with the Law Firm of GalatiBlek, LLP, am authorized to make the application and certification on behalf of the applicant.
